Can't remember your password?

If you already have a Parent Account, click on the link above, select “Forgot your password” and enter the email address you used to register in the system. You will then receive an email containing instructions for resetting your password. If you do not receive an email, you might have entered an email address the system does not recognize. Please also add appointments@schoolsoft.ca to your address book in your computer mail. This will override any spam filters that might be blocking the email. If the problem persists, please contact the office. We will confirm your email address and reset your account password.

If you used the Conference Manager in the past, your email and password are still in the system. You can simply access the Conference Manager using the link above.
